Forward-Looking Statements

Investors are cautioned that some of the statements we use in this release contain forward-looking statements and are made pursuant to the "safe-harbor" provisions of the Private Securities Litigation Reform Act of 1995. Statements that are not historical facts, including revenue, earnings estimates and management's expectations regarding future events and developments, statements about the benefits of the acquisition of AdvancedMD including future financing and operating results, the combined company's plans, objectives, expectations and intentions and other statements that are not historical facts, are forward-looking statements and are subject to significant risks and uncertainties.

Important factors that may cause actual events or results to differ materially from those anticipated by such forward-looking statements include our ability to safeguard our data; increased competition from larger companies and non-traditional competitors, our ability to update our services in a timely manner; our ability to maintain Visa and MasterCard registration and financial institution sponsorship; our reliance on financial institutions to provide clearing services in connection with our settlement activities; our potential failure to comply with card network requirements; potential systems interruptions or failures; software defects or undetected errors; increased attrition of merchants, referral partners or independent sales organizations; our ability to increase our share of existing markets and expand into new markets; a decline in the use of cards for payment generally; unanticipated increases in chargeback liability; increases in credit card network fees; change in laws, regulations or network rules or interpretations thereof; foreign currency exchange and interest rate risks; political, economic and regulatory changes in the foreign countries in which we operate; future performance, integration and conversion of acquired operations, including without limitation difficulties and delays in integrating or fully realizing cost savings and other benefits of our acquisitions at all or within the expected time period; fully realizing anticipated annual interest expense savings from refinancing our corporate debt facilities; our loss of key personnel and other risk factors presented in Item 1- Risk Factors of our Report on Form 10-K for the year ended December 31, 2017 and any subsequent SEC filings, which we advise you to review.

Our forward-looking statements speak only as of the date they are made and should not be relied upon as representing our plans and expectations as of any subsequent date. We undertake no obligation to revise any of these statements to reflect future circumstances or the occurrence of unanticipated events.
